Dear Bluff Town Council,

As a property owner and full-time resident of Bluff, I applaud the council's efforts to improve Bluff's emergency medical services through a modest tax increase. Property taxes are a progressive means of raising revenue, and I was surprised to learn that the town currently only collects \$33,186 annually from all of the properties in town limits, which are collectively valued at many millions of dollars. Adjusting rates to protect the safety and health of our residents and visitors seems a wise investment in our community's future.

Sincerely,
Zak Podmore
